1st team listed is the home team which supplies game ball & changes shirts if teams have alike colors. IIS reserves the right to alter any league schedule to best accommodate all. IIS may remove or deny entry to anyone at anytime.

Coed Player Rule: You must have 3 female players on the field at all times (unless playing short)

You may play with more females than males. You must have 4 players to start a game (only 3 of them may be male). Only exception if the other team agrees to play with a different ratio of players and informs the referee at the time of the infraction.

We prefer league fees be paid by your 1st game. Any balance must be paid on before the start of each game. If league fees are not paid in full, by the start of your 3rd game a \$50 late fee will be charged to your team.

If you receive a red card you must leave the field area at that point (includes team box).

You must then sit out for 1 additional game (this includes all leagues you participate in at IIS).

If your team receives 2 red cards in the same game your team will forfeit and the game is over.

A player with 2 red cards in the same session is band for the remainder of that session.

Attention: Schedules subject to change. This schedule may not reflect revisions.

IIS is not responsible for game changes not posted on the website.
